

Dear Friends,

As we celebrate our 13th anniversary Gala in 2013, we offer our deep gratitude to your continuing support of the Korean Community Center (KCC). This year's gala is significant and integral to our three-year fundraising campaign to meet the \$4 million in capital funds to build a facility for our "New Home for the Korean Community." We are tirelessly striving to be a multi-service provider to meet the needs (e.g., health, social, education, cultural) of all members, ranging in children to older adult members of our community. We ask for your continued dedication and support for our community, becoming part of our Korean American family and building our home together.

Sincerely,

KCC Board of Trustees
