

KOREAN COMMUNITY CENTER OF PRINCETON

프린스턴 한인 커뮤니티 센터

PO Box 1128 • Princeton, NJ 08542

July 2013

Dear KCCP Founding Member:

The KCCP is in the midst of making preparations for the 7th Annual Chuseok Gala, which will be held on September 21, 2013. Each year, the silent auction has been important component of the Gala, and we very much need your help to ensure its success.

Taking the lead from this year's theme, *Building the Future*, I am hoping that the silent auction can help us to guarantee the future of the KCCP and its mission by helping us to build a community center on our land on Meadow Road. With that in mind, I urge each of you to find an item to contribute to the silent auction. Even if you do not have items that you would like to donate, you may be able to persuade a local business to contribute something for the auction. Each of us has, in some way, generated goodwill with a variety of businesses in the area. Please think of this year's silent auction when you go shopping, golfing, or to a restaurant and ask your favorite establishments to contribute an item or gift certificate for the auction. In addition, a wonderful way to contribute to the auction would be to donate tickets to a sporting event, if you have season tickets, or a week at your vacation home or timeshare, if you have one. Finally, donating your professional services or your skills or talents would be a creative way to contribute to the auction.

One or two people alone cannot supply enough items for the silent auction. However, if we all work together, we can have a very successful silent auction at the 7th Annual Chuseok Gala.

I have attached a silent auction letter for businesses and donation form for your use. Please collect items for the auction and send or deliver them to me, along with completed donation forms, or ask donors to contact me directly. I will pick up items that cannot be delivered.

On behalf of the Gala Committee, I thank you in advance for helping us to build the future.

Sincerely,

Lesley Lee
